Frequently Asked Questions (FAQs)

How long does the test take?

Between 10-15 minutes.

Is the swab test painful?

No. You may feel ticklish and sneeze.

If I have previously tested negative for COVID-19, do I still need to be tested?

Yes, you may test again for peace of mind.

Can I continue to provide services while waiting for the swab test results?

Yes, you may. Please continue to practise good personal hygiene.
