### SafeEntry QR Code Request

Deployment of SafeEntry QR Code is mandatory for places where individuals are likely to be in close proximity for prolonged periods or in enclosed spaces, or where there is high human traffic. For details of the mandatory places, please refer to the advisory [here](#).

To request for SafeEntry QR Code:

1. Provide your details in the form below.
2. An email with QR code attached will be sent to you after a few minutes.

**Important:**

- Please apply for one QR code per address of operation.
- If your business has multiple premises, please apply separately for each address.
- Businesses are required to place the QR code(s) prominently at entry and exit points.

For more details on the system, please visit <https://go.gov.sg/SafeEntry>.

### Select your premises type

**Premises with Address**  
[e.g. Premises with postal code, block number and/or unit number; such as HDB blocks, office buildings, shopping malls, etc.]

**Premises without Address**  
[e.g. Premises without postal code and block number; such as construction sites, open spaces, reservoirs, etc. Such premises could be identified by a Government issued reference number instead.]
